Hi Nicole,

I love your email address. If you're referring to the candy bar, I might be one, too! :)

I apologize for not getting back to you this evening. By the time I got home, my son was all about "mama". Had to spend some time with him before he went to bed.

I double-checked my calendar and October 23 looks great. Any idea what time you'd like to start? We could do another late morning (brunchtime) thing, or late afternoon, evening... whatever you want and whatever you think would work best for your guests. If you're undecided and flexible, think about the 2-4 people you most want to be there and what would be a good time for them as well as you. I have the whold day open, so it makes no difference to me.

If you want, you could even call those 2-4 people and ask them. Just do yourself a favor and don't ask too many people... you'll just end up more confused and feeling like you have to choose one person's availability over anothers. Uggh.

I'll try to catch up with you again tomorrow just to confirm. In the meantime, I'll pop a hostess packet in the mail to you!

Have a good night.

Amanda
